Newborn Screening Workshop Survey

The Ontario Newborn Screening Program is pleased to announce that we are in the process of planning a workshop for our submitting institutions. Our goal is to provide you with the information you need to ensure that a successful newborn screen is completed for every baby in your institution/practice.

Please complete the attached survey (or forward it to the most appropriate person/persons at your institution or practice for completion) and return it by fax to (613) 738-0853 or by email at NewbornScreening@cheo.on.ca by **May 15, 2008**.

Thank you for your cooperation and assistance in making the Ontario Newborn Screening Program the most effective and efficient that it can be.
