Dear Mr. Munter

Re: Laboratory Licence No. 4232

This is to advise you that the application, received in this office February 1, 2016, with respect to the licensing of your laboratory under the *Laboratory and Specimen Collection Centre Licensing Act*, to add:

MOLECULAR GENETICS
U944 Molecular Testing for Diseases Targeted by Newborn
Screening Ontario

to your present licensed laboratory program, has been approved, *but the test will not be added to your licence until you advise us in writing of the effective date on which on-site testing commences.*

We will add the test to your licence and notify the Institute for Quality Management in Healthcare at that time.

Sincerely,

Bonnie Reib
Director of Laboratory and Specimen Collection
Centre Licensing
