

Newborn Screening Results Request Form

For the privacy and protection of this child, this form must be completed by the child's parent, guardian, or health care provider. Results will be released to the health care provider you list below. We strive to fulfill all requests for results within 48 hours. **Fields marked with a * are mandatory.**

Who is completing this form? Name: * _____ Phone Number: * _____

- I am this child's parent and a legal guardian
- I am this child's legal guardian (I will mail this form to NSO with the completed Proof of Guardianship Form)
- I am this child's Health Care Provider (please select the reason for your request):
 - Medical record documentation (e.g. confirmation that the infant was screened)
 - The infant is not well and I am concerned they may be symptomatic of a disease targeted by newborn screening
 - The infant is at risk for a disease targeted by newborn screening (e.g. family history of the disease)
