

Ordering Purolator Shipping Supplies

The procedure below outlines the necessary steps for ordering Purolator Shipping Supplies. The official NSO supplies are listed below and should be used exclusively for shipping Newborn Screening Samples. These supplies are provided free-of-charge by Purolator.

Ordering Instructions

1. Identify the supplies you require.
2. Send an email to: ontarioops@purolator.com with subject line: **NSO Shipping Supplies**
3. Include the following information in your email message:
 - Clearly state that you ship samples for “Newborn Screening Ontario”
 - The product and item code you wish to order with the quantities you need.
 - Your organization’s full address including the department/person you would like these delivered to and your phone number.
4. You will receive a confirmation email with tracking number when your order is processed.
5. Allow 5-10 days for the delivery of these supplies to your organization.

* Remember that you cannot order these supplies through VWR (card supplier)
